Please enclose this form when shipping your cue. Include the butt and shaft. Remove all joint protectors. Pack the cue in a box that will protect it in shipping. You should not be able to hear the cue move around if you shake the box. Insure the cue for its replacement value, and note the requested insurance value below. If you have any questions please call (715)-886-2900 or email to sales@jacobycustomcues.com
